IMEON 3.6 and IMEON 9.12

IMEON ENERGY
Your Power, Your Rules

Restriction of Hazardous Substances

The Company IMEON ENERGY hereby declares:

In accordance with the following applicable RoHS Directives (2011/65/EU), the devices as described herewith, are compliant with the requirements of :

- 2011/65/EU : Restriction of the use of certain hazardous substances in electrical and electronic equipment.
- EN 50581:2012 : Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.
- EN62321:2009 : Electrotechnical product - Determination of levels of six regulated substances.

As a globally active company, IMEON ENERGY regards the implementation of and compliance with this legislation as an important part of its business activities.

IMEON ENERGY places its suppliers under an obligation to ensure that the product they supply comply with the restrictions and do not contain above limit values of any of the prohibited substances. This also applies to individual components, parts, modules, etc...These must also comply with RoHS. In the respect and to our knowledge, our products do not contain any substances whose placing on the market is prohibited in accordance with the Directive quoted above.
